ORDER

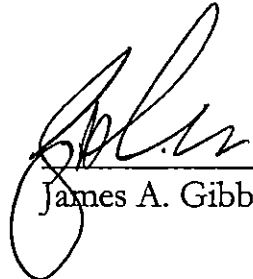

THE BACKGROUND OF THIS ORDER IS AS FOLLOWS:

Defendant filed a motion for permission to file under seal a petition for injunctive relief (which appears not to have been filed as of yet). Defendant's motion was filed on November 18, 2025. The purpose of the motion to seal surrounded a number of proposed attachments to the putative petition for injunctive relief. The proposed attachments consisted of multiple text messages between the parties. Plaintiff filed an answer to Defendant's motion which had many of those text messages attached. Defendant then filed a reply.

We conclude that that the Defendant's effort to seal her proposed petition is moot. As a result, we do not pass on the merits of her motion.

ACCORDINGLY, this 22nd day of December, 2025, IT IS HEREBY ORDERED THAT Defendant's motion to file under seal her petition for injunctive relief is **DISMISSED AS MOOT**.
